PETITION TO REVIVE PURSUANT TO 37 CFR §1.137(b)

**Mail Stop Petitions  
Commissioner for Patents  
P. O. Box 1450  
Alexandria, VA 22313-1450**

Sir:

Applicants respectfully petition the Commissioner to revive the above-captioned application which was unintentionally abandoned.

On August 25, 2003, Applicants filed a Response to the Final Office Action mailed June 25, 2003. Applicants also filed a Notice of Appeal, although no brief has been filed, as Applicants had hoped that the Examiner would allow the case, based on the Final Office Action Response. Although Applicants filed the Response within two months of the mailing date of the Final Office Action, no Advisory Action was received. Applicant unintentionally failed to file a Continuation (RCE) application by the statutory deadline. Applicants respectfully request that this application be revived and the Final Office Action Response filed August 25, 2003 be entered into the case. Should the Patent Office have any questions regarding this application,

USSN 09/768,080

please contact the undersigned. If the Final Office Action Response was not received by the Patent Office, Applicants will gladly re-submit it upon notification.

The Commissioner is authorized to charge the revival fee of \$1,330.00 under 37 CFR § 1.17(m) necessitated by this petition and any additional fees necessitated by this filing to Applicants' Deposit Account No. 07-1048. This paper is submitted in duplicate.

Respectfully submitted,
